## FOR IMMEDIATE RELEASE

### LANE SHIFT FOR SECTION OF HIGHWAY 12 IN SOLANO COUNTY

**Solano County** – The California Department of Transportation (Caltrans) announces that there will be a traffic switch (shifting of lanes) on Highway 12 near Rio Vista, between Shiloh Road and just east of Olsen Road, on the nights of Wednesday, October 7<sup>th</sup> and Thursday, October 8<sup>th</sup>. This traffic switch will allow the contractor to proceed with work to widen the shoulders and realign the highway.

Motorists will begin to preview some of the benefits of construction during this time. Wider shoulders and reduced curves are two of the new features on Highway 12 that motorists will begin to experience.

Motorists are asked to drive with extra caution in this area as the lanes will have moved from their previous alignment. The speed limit in the construction zone is 45 mph and traffic fines are doubled. Please continue to "Slow for the Cone Zone."
